

California Association of Tactical Officers

Contact Threat Mitigation Course (Pistol)

Tuition: \$50

Location: Sacramento Valley Shooting Center
Sloughhouse, CA 95683

Instructors: Jason Paletta

Course Description:

No Sig P320 Pistols will be allowed at this course.

With the FBI UCR data putting the approx. number of officers assaulted per year reaching 60+ thousand with approximately 15% committed with knives, 10% with guns and over 20% with other dangerous weapons, we as trainers have failed at providing the tools for our law enforcement to effectively mitigate such encounters. This alone is why I created my Contact Threat Mitigation™ course. This course has reevaluated the outdated tactics academy's are still teaching by doing a 180 and using force against force instead of moving away from your threat which inevitably sets the officer up for failure.
