Course Description:

Dynamic Entry Techniques: Next Level Breaching for Law Enforcement

Designed and tailored to law enforcement officers looking to gain real-world breaching experience across multiple entry tools and techniques. This one-day hands-on course will begin with basic mechanical and leveraging tools and escalate to hydraulics, shotgun, and KBT entry tactics. No tools required. All will be provided. But bring your own if you like.

This is a high-volume, high-repetition, learn-by-doing fast-paced class across multiple tool disciplines.

Teams welcomed.

Trainers from Holmatro hydraulic tools, KBT (Kinetic Breaching Tool), and breaching ammunition from Royal Arms International will be on location.

Full PPE with ear and eye protection.
